of Service*

Public Notice

This notification is required by the Federal Communications Commission in compliance with Section 106 of the National Historic Preservation Act.

Notice is hereby given that the El Dorado Hills County Water District (Fire Department) has applied for a FCC license. The following information is presented concerning the associated antenna support structures.

Location 1: Bass Lake Water Tank, End of Crystal View Drive, El Dorado Hills.

Coordinates: 38-39-58.8N, 121-01-16.7W (NAD83).

Structure Type: Monopole structure, including one antenna.

Tower height including any appurtenances: 36.6 meters (120 feet).

Special Painting or Lighting: Not required by the FAA for aviation safety.

FAA Hazard Determination Number and Status: 2014-AWP-2334-OE. No hazard is presented.

Form 854 File Number: A0905071

Location 2: Ridgeview Tank, Ridgeview Park, off Patterson Way, El Dorado Hills.

Coordinates: 38-40-16.7N, 121-05-10.8W (NAD83).

Structure Type: Monopole structure, including one antenna.

Tower height including any appurtenances: 36.6 meters (120 feet).

Interested persons may review the application by going to: www.fcc.gov/asr/applications and entering the Form 854 file number shown above.

Interested persons may raise environmental concerns about this structure by filing a request for Environmental Review with the Federal Communications Commission. Instructions for filing a concern can be found at www.fcc.gov/asr/environmentalrequest. Interested parties that would prefer to file a Request for Environmental Review by paper copy should address their concerns to: FCC Requests for Environmental Review, Attn: Ramon Williams, 445 12th St SW, Washington, DC 20554.
